Team,

Following up from our Design Progress meeting on Thursday the 24th, please find the enclosed meeting minutes #53 *word and *PDF format. It is our intent that these minutes have captured the overall direction provided during each of our discussions.

I would ask everyone to review these notes and let me know if you have any edits, corrections or additions that you would like me to incorporate. Additionally I have included the updated log of "Open Items" as well as the Furniture Presentation with unselected items crossed through and fabrics & finishes included. Please forward to other members of your team if I missed them.

Regards,

Lynn
